

The Hart-Ransom Union School District is following the [California Department Public Health Guidance for K–12 Schools to Support Safe In-Person Learning, 2022–2023 School Year](#) for testing, isolation and group contact tracing.

For testing, the Hart-Ransom Union School District follows the [California Department of Public Health's Testing Framework for K-12 Schools](#). For more information, contact: Matthew Shipley, Superintendent, mshipley@hartransom.org, 209-523-9996

The Hart-Ransom Union School District provides free at-home COVID test kits for students and staff members, subject to availability of supplies. Test kits may be obtained at the district office.
